Assessor Comments	On offer buyers a line of Ultrablack & Black Simmental Cows & Calves that have done a great job for the vendor year in year out. These cows are only being sold due to a change in direction. It is a regretful sale of genuine breeders that have produced calves that have gone on to top sales & win prizes at weaner sales. These cows have a big average weight of 606kgs and are medium to large frame cows. All Cows present lovely and sound in the utter. Buyers note 1 cow has had twins (2 Heifer Calves). Please see photos and Videos for your satisfaction.
