Assessor Comments	A quality line of Angus Cows & Calves that present in prime condition. These cows are doing an excellent job on their calves and the cows are ready to be joined to a bull of the buyers choice. The majority of the cows are vendor bred & only being offered for sale due to unfavorable conditions. Their breeding dates back to Texas Angus & Alamy Creek bloodlines. This is a rare opportunity to purchase future breeders that would not look out of place in any herd.
