Assessor Comments

On offer are 49 PTIC Angus cows purchased ex Budda Station, Tilpa. They are 3 to 8 months in calf to Te Mania Angus bulls (refer sire reference in assessment). The Tourle family select bulls out of Te Mania's Northern spring bull sale, focusing on calving ease with the hope of capitalising on the renowned performance of Te Mania genetics. An attractive line of young females to continue to breed with given they are all in ideal condition to calve down.
