Assessor Comments	Offering 16 x 17 Angus x Angus cows with calves at foot. 5-6 years of age and in the prime of their productive life and doing a magnificent job on their calves. 4 head are vendor bred Reiland Blood cows with the balance being Alpine and Merlewood Angus blood and purchased off Brookville Angus - Vic. They are solid moderate framed cows bred for production averaging 570kg after a curfew with weight to gain. They were preg tested empty at assessment for reassurance due to a bull gaining access during calving. There are 10 steers and 7 heifers that are marked at have received their first 5 in 1 vaccination. 4 calves sired by a Limousin bull with the balance being by the Merlewood Angus sires. These units are only being sold due to sufficient numbers in the herd and these were the later calving units. Quality cows and calves that are prefect for a trade or a breeding operation.
