Assessor Comments	A genuine opportunity to secure three outstanding Hereford cows with three strong, sappy Simmental calves at foot averaging 200Kg. These are productive, feminine cows doing an exceptional job raising impressive calves. The calves display excellent length, muscle pattern and hybrid vigour, making this an attractive future breeding or trading package. The cows have been rejoined for a tight calving, providing purchasers with the opportunity for another productive calf in the next season. These females are super quiet, very easy to handle and accustomed to normal paddock and yard management, making them ideal for commercial breeding operations or lifestyle producers wanting quiet cattle
