|                        | This mob of cows and calves were a pleasure to handle and would make the perfect mob for a beginner to learn on. It is a credit to the vendor for their great temperaments.                                                                                                                                                                                                                                          |     |                 |                                     |

| Assessor Comments      | A quality mob of Angus X cows and Calves. The cows are showing good frame, great udder development and are milking well. This mob of cows would make a perfect mob for a beginner to the industry, with very good temperaments on the cows. The calves range from 1 week old to three months old and are all sire by a quality angus bull. The vendor guarantees the cows and calves tick free and clear of the dip. |     |                 |                                     |
