Assessor Comments	Here presents a nice line of Charolais cross cows and calves. Cows present in store condition and given the season are doing a good job on their calf. Calves are sired by Lindesay View Limousin bulls and will be tagged at delivery not marked. Given the right opportunity these units would bounce away for successful purchaser and compliment any Charolais infused breeding program and are only being sold due to seasonal conditions. Buyers, please note odd cow has scratch marks and would benefit from a backline.
