Assessor Comments	A good quality line of predominately larger frame Charbray cows in calf to good quality Palgrove and Noller bred Charolais bulls. Cows still have plenty of good years ahead of them and are only for sale due to sale of property. Cows have been running on lighter traprock country and should perform well given the chance on better feed. Potential buyers can buy these cows with confidence knowing the calf will be very marketable. **Please Note vendor has 2 other lots in this sale
