Assessor Comments	A quality line of Charolais x cows in calf to good quality Palgrove and Noller bred Charolais bulls. Majority of cows still have a few good years ahead of them and would be an asset to any potential buyers looking to replenish their breeder3 herds, they would also suit trade opportunity. Cows are only for sale due to sale of property. Cows have been running on lighter traprock country and should perform well given the chance on better feed. Potential buyers can buy these cows with confidence knowing the calf will be very marketable. **Please Note vendor has 2 other lots in this sale
