Assessor Comments	Good to large frame trade cows with calves at foot bearing plenty of milk doing good job on calves. Cows mouthed well with plenty of milk going forward on a barley crop. Note some cows still cleaning up in the coat from lice. Observed odd cloudy eye in mob 1 cow with small lump under jaw. Calves weighed in groups of 4s. Cows mainly large frame with fresh calves' ideal trade turnover. Vendor has another lot of units in sale.
