	Good cows to handle in the yards and crush. All led up the race well and were well behaved on the scales. Just 2 listed above that were a bit objective to being mouthed, some bellowing and pulling on head-bail. All exited quietly and were good to handle in the holding paddock for photos and videos.

Assessor Comments	Good line of breeders that present a number of Spring investment opportunities! Large to very large framed matrons that all calved unassisted and have not missed a beat since calving, all going forward with the season. Cows that carry a heap of weight, and would be a very rewarding split investment. Buyers please Note. Vendor has another 5 lots in same sale and can assist with helping arrange transport.
