	Good cows to handle in the yards and crush. All led up the race well and were well behaved on the scales. All exited quietly and were good to handle in the holding paddock for photos and videos.

	1 Head Orphan Calf (Has been pinching a drink and looks healthy)

Assessor Comments	Good line of breeders that present a number of Spring investment opportunities! Large to very large framed matrons that all calved unassisted and have not missed a beat since calving, all going forward with the season. Cows that carry a heap of weight, and would be a very rewarding split investment with a 118kg calf at foot! Buyers please Note. Vendor has another 5 lots in same sale and can assist with helping arrange transport.
