Handled With	Well handled cows. Odd animal uncomfortable on the scales but settled once back with the mob. Bikes , Vehicles		
Assessor Comments	Very good quality Millah Murrah blood young cows joined to an Ardrossan Angus bull to calve early March- mid April. Weighing 590kg (542-640) and displaying excellent type being long with deep bodies. Only on their second calve, these were purchased earlier in the year as heifer and calf units to rebuild numbers, but are now being offered to market due to being out of sync with the vendors spring calving herd.
