Heifers were quiet as lambs to draft their calves off, and work through the yards. Only becoming slightly unsettled as they led up the very noisy race and into the noisier crush - well behaved in the crush despite this. Once back in the yards away from the banging, they immediately settled & waited for their calves to come through. Very quiet in the paddock, happy to block up, and stand quietly to take photos & videos of.

| Assessor Comments | Nice line of very quiet, inquisitive natured Gilmandyke & Landfall blood females. Predominantly Medium framed, having calved down as two years olds with plenty of growing yet to do. All with a nice balanced udder underneath them, and carrying plenty of milk, doing a very good job with their young calves. Calves anre by Gilmandyke sires U244 and U359, are all bright eyed and full of life, and none look like they've seen a tough day yet. Females that have the temperament to be a very pleasing & enjoyable investment for a stockman of any age/experience. |
