Assessor Comments	A really nice line of young Angus Cows & Calves. These cows have ample milk and you can really see it in the calves, the calves are fresh and will continue to improve moving forward. Cows are quiet and sound in confirmation and will be sound breeders for years to come. Calves have been marked and had their first 5 in 1. Cows are ready to be rejoined to the bull of your choice. 1 calf had a white blaze on the head.
