Assessor Comments	Buyers 15 Angus and Angus Cross heifers Preg tested in calf to a Good Quality Angus Bull and 3 heifers in calf to a Charbray Bull. Heifers were vet preg tested in calf by the bell veterinary practice on the 10/09/26 and determined just on 4 months to some heifers right on the point of calving. Theses heifers are lovely and quiet and a pleasure to handle. A regretful sale as vendor going in a different direction in her cattle operation. Please note there are 6 PTIC Charbray Heifers in same sale.
