Assessor Comments	An excellent opportunity to purchase a good line of store cows. Cows have had calves weaned off them a few months ago and have been running back with Angus bulls. Buyers please make note of the mouthing. 6 head noted with 2 teeth, 9 head with 4 teeth and 9 head with 6 teeth. Cattle are in store condition, but are strong enough to travel. Please note, same vendors has another lot offered in the same sale.
