Assessor Comments	An excellent opportunity to purchase a good line of store cows. Cows have had calves weaned off them a few months ago and have been running back with Angus bulls. 2 cows noted to have old pink eye scarring in one eye. Buyers please make note of the mouthing. 3 head were noted to have 4 teeth, 6 head with 6 teeth, 3 cows with broken mouths and 2 cows with worn mouths. Cattle are in store condition, but are strong enough to travel. Please note that the same vendor has another lot offered in the same sale.
