| Assessor Comments      | Just a second run of cows with a slightly later conception than the vendors other lot this sale. Good medium frame breeders PTIC to the Angus bull. Averaging 530kg after overnight lockup. Very productive units raring nice calves which were weaned early in the year and sold to strong competition. Could be put with others to make a nice two decks. Genuine 7 yo cows with good mouths on inspection and plenty to offer yet. |     |                         |     |                                     |     |
