	These heifers were very good cattle to handle					
Handled With	Bikes					
Assessor Comments	A outstanding line of Angus heifers and calves. These heifers are medium to large framed, they are very quiet to handle and are doing a great job on their calves. The calves are all August drop and are by the Alloura Angus bulls. The heifers have been running back with the Alloura Angus bull since calving. These young units come highly recommended and will not disappoint.
