Assessor Comments	On offer is a good line of middle aged coloured cows and calves. Comprised of Shorthorns and Black Baldies as well as a single Murray grey. Calves at foot are sappy and on the do, mostly Angus crosses with a few red coats and a grey. Very quiet cows that were originally purchased account the breeder from the April Tumut Store Sale in 2021 as weaner heifers. An article that shows good value to utilize feed and split later on, with the cows still with capacity for kilos. Alternatively cows still have more years in them to equip a breeding herd with.
