Assessor Comments	To be offered on behalf of C.R & N.P Baulch of 'Audley' is a very neat line of 15 Baldy heifers with 15 CAF. Heifers present in forward store condition, and are continuing with the season, and doing an excellent job on their calves. Heifers purchased as PTIC heifers in the spring last year, and calved down in May/June 26'. Calves are sired by Scott's Angus and Table Top Angus sires. Heifers have not been re joined, making ideal for a late winter or spring joining to purchasers bull of choice. A nice addition to top up an existing herd, or a great trade option for the spring.
