Assessor Comments	Buyers, on offer is a smart line of Rennylea Angus blood cows PTIC to Rennylea Angus bulls for their 2nd calf. Cows were bred and joined on the vendors property "Enfield North" at Yarrowitch and trucked south during the early part of the year. Cows were pretested prior to that movement to have been joined in the last 4 weeks of the joining. Cows have been re preg tested by Coolac veterinary. Noted approximately 3 cows with pink eye scarring, 3 cows with a small amount of white on their udder. This is an opportunity to buy well bred cows in the prime of their lives.
