Assessor Comments	13x13 NSM Heifers & Calves Acc. WC & MA McCrohon. The above heifers present in forward store condition are carrying plenty of milk & doing an excellent job on their calves at foot. Heifers purchased from NVLX Acc. Davilak Pastoral Trust. At time of purchase heifers were selected on strong attributes to compliment an already high performing Angus herd. This is a regrettable sale & are only been sold to make space to bring cattle south from dry weather affected property in the north. Heifers are Glendaloch Angus blood & calves are by AI sire Landfall Pheasantry S1157. Vendor places a strong emphasis on low stress stock handling which is clearly evident as these units were a pleasure to assess. Here's an opportunity to secure a line of reputable heifers from Victoria's North East which would be a welcomed inclusion to any spring calving operation ready to join to the bull of your choice. Buyers please note that all calves have been marked.
