Quiet: 9 head

Temperament not assessed in
Paddock

These heifers were handled in an old concrete dairy yard and all handled with ease and no stress they all stepped on the scales with no fuss.

Handled With

Bikes , On foot

Assessor Comments

9x9 Shorthorn/Friesian Heifers with TeMania Blood Angus calves at foot. These heifers are quiet and easy to handle and are doing a great job of their first calf, these heifers have been breed from the vendors Holstein dairy herd with years of breeding behind them, they would suit a productive vealer operation. calves have been marked.
