Assessor Comments	**Quality Young Angus Females** Opportunity to purchase HBR & APR Angus Breeders. 5 Angus females 2-4 yrs with July-Sept drop calves at foot. Calves are sired by both AI and Lawsons angus sires. King Isle Farms operates as a Co Operator herd for Lawsons Angus hence females are registered under 'VLY' prefix and all offspring are fully registrable. See Documents for full list of Ebvs. They are very consistent for type and display excellent shape and muscle for females. They are classed in breeders only being sold due to final stage of dispersal of the mainland herd. Note: See video
