Assessor Comments	A nice line of 26 Heifers with very fresh and sappy calves @ foot (13 Steers and 13 Heifers). The calves have been marked and vaccinated so all the work is done. These Heifers were purchased out off NSW as PTIC and have calved out with no problems at all. They are a good medium to large frame Heifer with plenty of growth and scale still left in them. They are NSM so purchasers can join them to the Bull of their choice with the Heifers in ideal condition to join.
