Assessor Comments	An Excellent opportunity to secure a young group of Eu Angus Cows on their 2nd & 3rd Calf that are from an highly renowned cow herd of excellent maternal and commercial traits. These cows are a part of the annual draft of Spring calvers from Borderdowns and will be a true asset to any breeding operation. Selected for fertility, temperament, structure and growth, these young females are truly heading into the most productive years of their life. These girls boast huge investment in their genetics stemming from a 20+ year AI program. Daughters of Millah Murrah Quixote, Kruse Time & Rembrant are in this draft and the calves are sired by sons of the American Bred Bull Woodhill Comstock. These young females come with my highest recommendations, they are in a management group of 30 currently and will be sold in 2 lines of 15. Each line to have a total of FOUR 3rd Calvers & 11 2nd Calvers.
