Bred out of a moderate to large frame cow herd and sired by stud bulls, they present the discerning buyer an opportunity to secure a line of traditional Simmental females that have plenty of life in front of them. The calves at side are very fresh and reflect their breeding and the power of milk that their dams are producing - Sired by Mubarn Southpark S45 (5), Lakeside U002 (3) & Lakeside U158 (3) Note - A set of twin heifer calves are amongst the drop - Calves consist of 8 heifers and 3 bulls and remain unmarked.
