Assessor Comments	Lovely line of 1-mark heifers that are calving unassisted at this stage, 20 calves on the ground with the balance up on the job. They were purchased 29 red tags and 9 blue tags in June from Tamworth store sale. Originally from "Brushgrove" (Sunset Ranch) at Uralla. They were in pain condition when purchased and have improved out of sight through the winter and early spring. Showing good milky udders running in the hills and are fit and healthy cattle. Mouthed a couple of animals at assessment and had 4teeth.
