Cows are doing a great job on there calves and are currently in the prime of there lives. Cattle were easy to handle and and move throughout the assessment. Please note that 2 Cows are currently drying up due to lose of calves. Vendor is prepared to discount those two cows by $500 each to compensate. Also 1 cow has a a very large udder and is currently only feeding off half of her udder. A further $500 will be taken off her also. (3 head Discounted).
