Assessor Comments	A Lovely quiet line of NSM 2-4 year old Cows & Calves. The cows are doing a great job on their calves that are 3 - 5 weeks old and sired by Simmental & Angus bulls. Cows were bottle fed as calves and make them very quiet and easy to handle. Cows are sold un joined giving the purchaser the opportunity to join them to the bull of their choice or alternately they could slot straight into a recipient program. Females that have had all the hard work done, ready to join and will continue along well given the opportunity. PLEASE NOTE: Vendor has another lot of cows & calves in the same sale.
