Assessor Comments: On offer is a excellent quality line of Angus & Angus x 8 year old cows & calves. These large matrons come from the heart of the well known Glynn herd. These cows have produced great calves year in year out and will continue to do so, regretful sale for vendors with only selling to make some room. Cows present in great condition and are ready to join to bull of choice. Please note cows will be on 2 Pics and 2 nvds which are just different family members. Cows were assessed at 2 different set of yards but will be at one for delivery. These proven breeders come highly recommend by assessor, any further questions please call myself.
