Assessor Comments: An excellent line of vendor-bred Angus heifers with calves at foot, representing 28 years of dedicated breeding and incorporating some of the finest Reiland Angus genetics available. The Reynolds family have consistently invested in top-end sires from Reiland Angus sales, with a strong focus on growth, positive fat traits, temperament and fertility. These females are a true reflection of this long-term breeding program and present an outstanding opportunity for producers looking to introduce quality genetics into a self-replacing herd. Deep, soft-bodied females with the capacity to mature into excellent, functional cows, they are showing outstanding udders with plenty of milk. Their calves at foot, sired by Reiland Angus bulls, are ready to grow and perform. The Mount Hugel herd is recognised as one of the leading Angus herds in the Adelong district. This is a genuine opportunity to secure quality Angus females backed by 28 years of dedicated breeding, proven performance and careful genetic selection.
