Assessor Comments	Top quality line of Angus heifers & calves. These very stylish units are a great representation of the breed. Opportunity to secure some top angus heifers with their lives ahead of them. These heifers were purchased from the well known Mt Hugel herd at Adelong as heifer weaners then joined to a Dunoon bull. This lot represents 16x16 , with another lot of 15x15 which are the same heifers, vendor just spilt into 2 paddocks before calving. Potential buyers can put 31 excellent young females & calves back together. These hard to find articles come highly recommend by assessor, any further questions please call myself.
