Assessor Comments

Offering 15x15 Angus cows and calves, presenting in the prime of their lives. Originally purchased auctions plus out of Rylstone as store PTIC cows, these females have performed exceptionally well, calving down to Rylue Angus bulls. The cows are doing a fantastic job on their calves and have proven to be productive, functional females. A quality line of cows with plenty of breeding life ahead of them. Note 2 cows with small amount of white on udder and 2 cows with cloudy eye.
