Very quiet, well-tempered cows and calves. Easy to handle and ideal for buyers seeking quiet, manageable cattle. Will suit any level of Livestock experience.

Handled With	Bikes , Vehicles
Assessor Comments	An exceptional line of vendor-bred second calving cows and calves. These lovely females are proven mothers, raising sappy calves by a Riga Angus bull and displaying great milk and frame. Extremely quiet and easy to handle, they would be a valuable addition to any existing herd or an ideal foundation for those looking to establish a quiet, productive breeding herd. Offered for sale solely due to the vendor's autumn calving program, through no fault of their own.
