Assessor Comments	Buyers what a line of young Angus cows and calves,(1st, 2nd calvers.) Very quiet and easy to handle. Broke to electric fence. This lot has had all the treatments done, great worming/ fluke treatment history. Don't miss this lot if you want good quiet Angus cows and calves that you will have plenty of options moving forward. Note one cow has a floppy ear. This mob would suit first time buyer as they are extremely quiet. ***Vendor only selling as change in enterprise
