Assessor Comments	On offer are 83 x 83, Angus x Angus cows with Charolais, Angus cross calves at foot. All cows are third and fourth calvers and are doing a magnificent job on their calves. All cows are Glen Avon blood, and the calves are all sired by the stud Elstow Charolais bull. These cows have been running continuously with the stud Elstow Charolais bull from the 1st of August. Please note that blue eye scaring was noticed on a very small number of cows (not detrimental). A fantastic opportunity presents itself to purchase a nice line of 5 & 6 year old Angus x Angus cow's that will suit any breeding operation.
