Assessor Comments	EU Vendor bred Charolais infused first calvers, with Angus & Shorthorn calves at foot. Presenting in outstanding order. These young females have a wealth of breeding behind them and it shows. They have not been rejoined giving buyers the chance to join to any bull of their choosing. Cows like this a rare to find in this market. Calves are all marked and have had 2 shots of 5 in 1. All the hard work has been done. Odd animal with slight pink eye scar not detrimental.
