Assessor Comments	A good quality line of Hereford Cows that display excellent frame that are doing a great job on their calves. Cows were placed on agistment 3 months ago and have performed well in a good season. A sample of the cows were mouthed at assessment all showing sound mouths and would be ideal to take forward as a trade opportunity. All calves have been marked at assessment and average 145 kgs (110-192kgs). Please note vendor is also offering another 13 Angus X Cows and Calves in the same sale. Please call for further information.
