Assessor Comments	A nice line of 28 Crosby and Ardrossan Blood Angus Cows and 28 Calves on offer, Cows are medium to large frame presenting in forward store to forward condition, Calves are sired by a Hazeldean Angus bull and are showing plenty of frame and weight for their age. The same Hazeldean bull has been running with the cows since the 15th of September and will continue to run with the Herd up until delivery, With the hard work of calf marking already taken care of these are and ideal line to add to your breeding herd.
