Assessor Comments	Hartfield have decided to disperse their small Highland breeding herd as they look to grow their other programs. Therefore these females are now surplus to needs. These females have been pregnancy tested 5 - 7 Months in calf to either a Black Limousin or Simmental Bull. T003 is a 5 year old Female due to have her 3rd calf. An opportunity to purchase PTIC Highland females that will continue to breed on well for the successful purchaser. PLEASE NOTE: The Vendor has another 2 females in the sale as well.
