| Assessor Comments | A nice line of mixed breed heifers all with a CAF. Heifers are milking very well and doing a great job on their calves. They were all purchased out of saleyards as joined females and have calved down with ease. All the hard work has been done, with no bulls on the farm you can buy with confidence that they have not been rejoined and you can join to the bull of your choice. Weights don't represent quality of heifers as the have been in and out of the yards several times over the last week while mothering up. There is one Charolais cross cow with an assumed highland cross CAF which can be removed from mob if purchaser wishes. Please see photos. Please note vendor has 3 other lots in this sale. |
