Assessor Comments

13 quality cows on 2nd and 3rd calf. Cows present in prime condition, milking very well and doing a great job on the calves. Originally from the Gralunga stud, but since its closure been on Roseleigh for eight years. These are quality big large framed Roseleigh cows by a quality Granite Ridge bull. Vender only selling this herd due to out of season calving. please note, one cow has stepped on a stone and showing signs of limping on the way in to yards, will re-assess before trucking.
