Assessor Comments

17 PTIC Autumn Calving Angus Heifers. Paul & Annie Chisholm have a renowned name for their stock's quiet nature & these Heifers are no exception. Heifers present in magnificent order & have been set for sale as Autumn calvers to commence from the 1st of Feb 2026 onwards for 10 weeks to Stud Merlewood Angus Bulls. These heifers have been well handled & cared for, posting no issues in the yards under assessment. The Chisholms have many repeat buyers both on their steers at local Leongatha Store markets & also via AuctionsPlus with their PTIC Heifers. Noted for their temperament & high performance, this mob will continue to grow on with plenty of upside. A classy line for purchase & would suit any buyer in the market for future quiet breeders. Please note a minority of heifers have a streak of white under neath along their navel or udders (see photos attached). A draft of one mark line of 30 with these being the smaller framed Heifers presented. NOTE: Vendors have an additional lot in this sale.
