Assessor Comments	M.R McRae annual offering of PTIC heifers. These heifers are TeMania & West Creek Angus Blood, they are presenting in forward/prime condition and display a true to type Angus phenotype with a moderate frame, showing depth and length of body, maternal style females that will compliment an already existing high end commercial enterprise or be a sensational starting base to an ambitious Angus breeder. The vendor has been purchasing top drafts of weaner heifers for a number of years and joining them to well bred registered low birth weight Angus bulls. To commence calving February 1st for 10wks. All health treatments are up to date. Please note there is a total of 6 lots in the same auction.
