| Assessor Comments      | A great opportunity to purchase a very quiet young 21 month old Santa bull with plenty of bone and muscle. Semen and vet check and right to work. Bull was very quiet and easy to handle throughout the assessment. Please not vendor has another three lots in the same sale.                                                                                                                 |               |                                     |
