Assessor Comments

A Very good line of backgrounder Heifers with no access to bulls, ready to keep going onto spring grass or hard feed. 2 lines of heifers in this herd that have 2 month age gap. Heifers have only been grass fed and never had grain. Weighed into between 225-300Kg at assessment after 2 hour curfew and a 5km walk to the yards. These Heifers have really responded to winter grazing crops and are ready to keep on going into the spring.
