	Very quiet steers, a pleasure to work with in the yards. Educated thoroughly.			
Notable Traits	Traits 5 Head Light eye scarring - recovered			
Assessor Comments	An excellent line of 54 x Aug/ Sep 2025 Drop Angus Steers. A high quality line of steers that are by high indexing Hazeldean Sires bred from a large framed cow herd based on Hazeldean and historically Rennyalea blood. The steers exhibit excellent weight for age, they carry themselves well and exhibit good bone and shape. The steers will suit a finisher looking to capitalise on the genetics and potential of the steers. Currently grazing a wheat crop the steers are doing very well and will continue to perform up until delivery. Highly recommended steers of quality. For buyers looking to fill trucks, there are other feeder steers of equal quality available a short distance away that could be sold in the same manner in the same sale. The Cheetham family will also offer 41 x NSM future breeders of excellent quality in today's sale.
